OUR SERVICES

Tailormade services to meet your need in any exigencies for broader organisational goals:

1. **Contingency Hiring Model :** We have the expertise to ful-fill all your **urgent** manpower requirements. Be it Junior, Mid level or C-Suites-we are geared up to handle all positions across different industry verticals. We have flexible options for service charges. Details shared in the Business Terms and conditions guideline.
   a. Turnaround time: less than 72 working hrs.
   b. Three month replacement guarantee (One replacement for Voluntary Resignation).

2. **Retainer Hiring Model**: The Retainer Based Model thrives on the concept of dual obligation. The retainer fee assures us that the time and effort we put into the mandate will not be redundant, while giving the client a concrete reason to expect value for money.
   a. Ideal for a requirement of up to 3 positions.
   b. We charge **flat 7.5% CTC** for all positions payable **by 30** days credit period.
   c. **30%** of payable service fees to be paid upfront within two days of sharing the Job Description.
   d. Turnaround time: 48 hours.
   e. Guaranteed closure within 60 days of signingup
   f. Three month replacement guarantee (One replacement for Voluntary Resignation).

3. **Recruitment Process Outsourcing (RPO)** : This Model enables us to intimately customize our services as per the client's requirements. It does away with your need for an internal Recruitment department, saving you the finances of setting one up. We manage the entire recruitment process, from job profiling and conducting initial interviews to the drafting of offer letters and on boarding the hire. All you need to do is take the final interview.
   a. Ideal for 8-15 positions.
   b. Dedicated Recruiter for your requirements
   c. The backend team, based at our workplace, functions as a virtual Talent Acquisition team supporting the dedicated resource.
   d. We will use various recruitment channels for Sourcing, including Internal Job Posting within your organisation

Salient features :

- Single point of accountability for recruitment.
- Dedicated specialist recruitment team without the headcount cost on balance sheet.
- Effective, Scalable and Flexible solutions aligned to meet changes in demand.
- Improving quality, candidate and customer satisfaction.
- Reducing HR and Hiring manager time spent on recruitment to focus on more consultative/strategic activities.
- Leveraging supply chain benefits & best practices across our RPO client base enabling continuous improvement.
- More value for every Rupee spent on recruitment.
- Transparency and control through recruitment metrics and analytics. ¸ Innovation and continuous improvements.

4. **Human Resource Outsourcing (HRO)** : Most of the HR Executives' time is spent on doing transactional activities like payroll processing, on boarding, making employment letters, employee file filing, answering queries from ex-employee etc. Your HR Team can focus on more strategic HR activities like employee retention, exit interviews, employee round tables, open house, performance management, employee relations etc . You can outsource to us some of the activities which you feel is time consuming and non value add. We are happy to add value to those activities.

5. **HR Consulting :** This service will be of immense support to start ups. If you need any help in formulating HR policies, employee book, performance management, compensation bench marking- we can support you. We have the expertise!
